Undergraduate Studies:

University of Melbourne, B.E. (Civil), First Class Honours, 1968.

Graduate Studies:

University of Melbourne, M.Eng.Sc., Structural Engineering, 1970,
Thesis title: Optimisation and plastic analysis
University of Cambridge, Research Certificate, Economics, 1971.
Stanford University, M.S., Engineering-Economic Systems, 1972.
Stanford University, Ph.D., Engineering-Economic Systems, 1978,
Thesis title: Non-renewable resources and disequilibrium macrodynamics

Honours and Awards:

- 1958 Dux (æq.), Junior School, Scotch College, Melbourne.
1960–1963 The Council Scholarship, Scotch College, Melbourne. Matriculated,
1963: Physics (H1), Calculus & Applied Maths. (H1), Chemistry (H2),
Pure Maths. (H2), English Literature (P), and English Expression (P).
1964–1967 Australian Commonwealth Scholarship.
1965–1966 Major Residence Scholarship, Ormond College, University of
Melbourne.
1968–1969 Australian Commonwealth Postgraduate Award.
1969–1973 Australian Commonwealth Scientific and Industrial Research
Organisation Overseas Studentship,
Subject area: Engineering systems.
1972 Stanford University Representative, Tenth Annual UN Graduate
Study Programme, Geneva.
1974–1975 Resources for the Future, Inc., Fellowship.
1978 Doctoral dissertation published as a monograph in both the *Garland
Series of Outstanding Economics Dissertations* and the *Garland*

- Series of Outstanding Energy Dissertations.*
- 1987 Winner of the Second Massachusetts Institute of Technology Competitive Strategy Tournament. (A tournament of competing algorithms playing three-person pricing games.)
- 1993– Included in *Profiles in Business and Management: An International Directory of Scholars and Their Research*, (Boston: Harvard Business School Publishing, 1993–).
- 2005 Presented the Fourth Herbert Simon Seminar Series, on Agent-Based Computational Economics and Market Design, at the Artificial Intelligence Economics Research Center, Department of Economics, National Chengchi University, Taipei, and the the National Kaohsiung University of Applied Sciences, Taiwan, October 23–28.
- 2010 Appointed Professor Emeritus, University of New South Wales.
- 2014 Elected Fellow of the Royal Society of New South Wales, Sydney.
- 2019 Best Paper Award, for “Calibrating Methods for Decision Making Under Uncertainty,” presented at the International Conference on Decision Economics (DECON’19), Universidad de Salamanca, Escuela Politécnica Superior, Ávila, Spain, June 26–28.
- 2019 Elected Fellow of the RSA, London. The Royal Society for the encouragement of Arts, Manufactures and Commerce.

Grants Received:

- 2010 Australia India Institute Grant: “Supporting Information Exchange across Organisations for e-Business,” (under Pradeep Ray, Director, Asia-Pacific Ubiquitous Healthcare Research Centre (APuHC), UNSW). (\$12,500 over one year).
- 2009 Land & Water Australia Innovation Call Project: “Transaction Metrics for Purchasing Environmental Services,” (under Paul Martin, Director, The Australian Centre for Agriculture and Law, University of New England), (\$90,000 over one year)
- 2008 ARC Discovery Grant: “Modelling the Development and Evolution of Business Relations and Networks as Complex Adaptive Systems using Agent-Based Models,” (with I.F. Wilkinson and L. Young) (\$120,000 over three years)
- 2005 INSEAD: “Selection, development and production of a platform for multi-agent modeling research” (with D. Midgley) (€10,000)
- 2005 Australian Research Institute in Education for Sustainability: “Education About and For Sustainability in Australian Business Schools,” (with M. Chandrashekar) (\$35,000 over two years)
- 2003 ARC Discovery (Large) Grant: “Understanding participant behaviour in wholesale electricity markets,” (with E.J. Anderson, H.R. Outhred, and I.F. MacGill) (\$253,000 over three years)
- 2002 Carbon Dioxide Cooperative Research Centre (co-investigator). To investigate capturing and sequestering anthropogenic CO₂ from

- the atmosphere — technical and financial feasibility (\$21.8 million over 7 years, shared)
- 2000 AGSM Small Grant (Chief Investigator): “Modelling rivalry in mature, repeated oligopolies: players learn rules of thumb in perceiving responding and signalling.” (\$15,000)
- 1999 Australian Research Council Small Grant (Chief Investigator): “Strategic rivalry in mature oligopolies: endogenising and estimating players’ perceptions, responses, and actions.” (\$19,900)
- 1998 Australian Research Council Small Grant (Chief Investigator with David Midgley): “Benchmarking learned responses and rules of thumb in mature oligopolies.” (\$18,000)
- 1997 AGSM Special Research Grant (Principal Investigator, with David Midgley): “Benchmarking learned responses and rules of thumb in mature oligopolies.” (\$9,000)
- 1995 Australian Research Council Large Grant (Principal Investigator, with David Midgley): “Strategic behaviour and learning: estimation and simulation of pricing and promotion in iterated oligopolies.” (\$75,000) (The ARC Advisory Panel Score: 90–94%)
- 1995 Australian Vice Chancellors’ Committee Electronic Publishing Working Group (with John Roberts, Chris Sauer, Pam Taylor, et al.): “Technical trial and study of consumer adoption patterns.” (\$76,140)
- 1994 Worksafe Australia Research Grant (with Jean Cross, Principal Investigator): “The costs and benefits of safety programs.” (\$102,000)
- 1992 Australian Research Council Small Grant (Principal Investigator, with David Midgley): “Strategic behaviour and the evolution of economic institutions.” (\$18,000)
- 1989 AGSM Special Research Grant: “AGSM Double Auction Computer Tournament.” (\$500)

Academic Experience:

The University of Melbourne:

2011– Professorial Fellow

The University of New South Wales, School of Economics:

2010– Professor Emeritus

2010– Visiting Professorial Fellow

2006–2010 Full Professor

The University of New South Wales, Australian Graduate School of Management:

(From 1999 through 2006 the AGSM was a joint venture of UNSW and the University of Sydney.)

2001–2006 Full Professor

1995–2001 Associate Professor
1981–1994 Senior Lecturer,
1977–1981 Foundation Lecturer.

The National Kaohsiung University of Applied Sciences, Taiwan:
2005 Visiting Professor, Economics Department.

The National Chengchi University, Taipei:
2005 Visiting Professor, Economics Department.

INSEAD, Fontainebleau:
2005 Visiting Professor, Marketing Group.
2014 Visiting Professor, Marketing Group.

The Santa Fe Institute:
1993 Visiting Researcher, Economics Group.

Stanford University:
2009 Visiting Scholar, Precourt Energy Efficiency Center,
1992–1993 Visiting Scholar, Graduate School of Business,
1980–1981 Visiting Assistant Professor, Engineering-Economic Systems,
1976–1977 Lecturer, Engineering-Economic Systems,
1973–1974 Teaching Assistant, Engineering-Economic Systems.

The University of California at Berkeley:
1984 Visiting Scholar, Energy and Resources Group.

The National Bureau of Economic Research – West, (Stanford):
1975–1977 Research Assistant.

The Massachusetts Institute of Technology:
1984 Visiting Scholar, Center for Energy Policy Research.
1969–1970 Research Assistant, Urban Systems Laboratory.

The Commonwealth Scientific and Industrial Research Organisation:
1969 Research Officer, Division of Building Research.

The University of Melbourne:
1969 Tutor, Mathematics, Ormond College,
1968–1969 Laboratory Demonstrator, Structural Engineering.
