# BUSINESS ETHICS

<http://www.agsm.edu.au/bobm/teaching/BE.html>

## **What you get from the course:**

- **How to recognise and resolve ethical dilemmas**
- **How to changing behaviours**
- **How to raise the ethical level of organisations**
- **Cases: the NSW RTA and State Rail – contrasts**
- **International business ethics – “but everyone does it!”**
- **Frameworks for thinking about ethical issues.**

---

## How do you learn?

- lectures,
- the text and readings
- in-class disagreements
- weekly homework
- a team term project — applying the classes
- a long assignment/essay

**Using the book by Rush Kidder, *How Good People Make Tough Choices: Resolving the Dilemmas of Ethical Living*, and other readings.**
